July 26th - Last day of Camp

Note from Ms. Jill - How incredible is our universe? Our VBS campers are finding out. This summer has been an adventure into space. "To Mars & Beyond" has totally engaged the kids in creating their own planets, aliens and even universes. The kids have enjoyed several "in house" field trips, including Dusty & the Singing Cowboy, Desert Dwellers Train, Water safety tips, Creative art projects, Fantastic Fire Truck, Bubblemania and Reptiles. More exciting activities will be had in July. As always, everything we do & teach is powered by God's love and grace. This summer, the kids have many new songs to brighten their spirits & stories to show God's abundant love.

A Prayer

"A friend loves at all times" Proverbs 17:17

I asked the Lord to bless you,

As I prayed for you today.

To guide you & protect you,

As you go along your way.

His love is always with you,

His promises are true.

No matter what the hardship,

You know he'll see you through.

so, when the road you're traveling on

Seems difficult at best,

Give your problems to the Lord

and God will do the rest.

Blessings for a safe , healthy and joyous summer

In Christ, Ms Jill
