Noah's Ark Preschool & Kindergarten

August 2019 NEWS

Aug 7th- First Day of school

August 29th –Late Start Day

school begins at 8:30am

Note from Ms. Jill - The second half of summer camp was a bit hotter, but filled with excitement, laughter, and science experiments. Several of our favorite activities came to visit us in July. They included Kathy Peach (a local author/storyteller), Judy Wood (local artist), Stargazer Planetarium, Rocks & Gems Ladies, VanGo Pottery, and Mad Science Guys from Scottsdale. We explored space and even created our own purple alien. All summer the kids were practicing their language arts/reading skills, math and science skills and creative arts skills. No one seemed to notice they were preparing for the upcoming school year. School begins Wednesday, August 7th. The Noah's Ark staff is geared up and ready for the newest voyagers aboard the ark. This year we will acknowledge Mrs. Susan Gonzalez for completing 5 years as a crew member of Noah's Ark. She has been the most perfect teacher to introduce our youngest voyagers (2's & young 3 year olds) to our school. Her patience, grace, and love for these little people is remarkable. If you see Mrs. Susan, let her know you appreciate her hard work and dedication to sharing God's word with these young children. **In Christ, Ms. Jill**

OFFICIAL NOTIFICATION

You are hereby notified that you are chosen, appointed, fully authorized and empowered as a representative of the living God. You are charged with responsibility for making the love of my Father and me, known and believable. We have given you unique talents and provided special experiences to use in your position among the people your life touches. We have given you the power of the Holy Spirit for wisdom, courage and strength. The world is filled with people starved for love and hope. I have let you in on where they can be found. I am counting on you to help them.
